USAGE-Hungarian Projects

WB and [] comments: 21 Apr 51

1. Heberstreit group: Krivachy well known; not very good reputation; reliability questionable. Vienna and [] very much interested in Heberstreit. Not clear this project nature of actual contact with Heberstreit.

2. Gendarmerie: Leader should be checked; plans expansive. Suggested that D. should be asked to recruit one courier and one agent, carry out plan; increase staff as needed and possible. Present proposals vague, elusive, typical USAGE outline.
